

# BFD CUSTOM BANNERS

We can custom make banners for both indoor and outdoor applications in any size from a small table-runner through to a complete fence & building wrap.

Using a digital sublimation printing process, vibrant colours are achieved that are durable and long lasting. Installation is a breeze due to the light weight of the finished product.

Finishing methods available include:

- Hemmed edge
- Heat sealed
- Rope and/or reinforcing tape
- Eyelets
- Pockets with wooden dowels
- Hanging rails

Other sizes and styles are also available to suit almost any application. No minimum order quantities and fast turn-around.

Talk to you local reseller to determine the best banner to suit your application.

## Minimum order quantities

There are no minimum order quantities.
