

# BFD LECTERN BANNERS

Our lectern flags are a great way of getting your brand seen in front of an audience. Using a full colour sublimation printing process means you're not limited to boring single colour logos. Custom sized to fit the width of your stand. Finished with fringe along the bottom.

No minimum order quantities and fast turn-around

- **Light weight and portable**
- **Easy to clean**
- **NO minimum order quantities**

BFD products are printed and assembled in Australia so our production times are FAST! No minimum order quantities.
